This privacy policy explains how Suril AS collects, uses, and protects your personal information.

By using the app, you consent to the data processing described below.

1. We collect the following data to provide and improve the service:
When you share a dream, we collect the text- and voice-based descriptions that you record in the app as well as the images generated so those you share it with might see it.
Apart from this, all data lives on your device.
2. Your data is used for the following purposes:
To share a dream with others.
3. We use the following third-party providers:
Analytics: OpenAI API (language analysis).
Storage: AWS or equivalent cloud platforms with high security standards.
We never share your data with third parties for marketing purposes without your explicit consent.
4. You have the right to:
Access the data we have stored about you.
Request correction or deletion of your data.
Withdraw your consent at any time.
For inquiries, contact: jonasbarsten@gmail.com
5. We follow industry standards for encryption and protection of sensitive information.
All data is handled in compliance with applicable privacy laws (GDPR).
6. Your data is stored locally on your device.
You may delete all data by deleting the app from your device, or by contacting us for manual deletion (if you have active user synchronization).
